

The Traylor

A Special and Urgent need

Dear Family and Friends,

As you know, between two and three years ago we started a ministry for dysfunctional families with children. One of those families had 6 children, the oldest of which was a 13 year old girl. At that time all of the children were emotionally very unstable, and she was beginning to get into trouble. She was only here for about 6 months when she ran away. She wound up on a rural ranch with a 30 year old pedophile who got her pregnant. He convinced her that she was his "wife." She was kept in a 12 X 12 shack with little more than a bed. She was not allowed to have a telephone or little contact with friends and family.

Last week on a "short" trip for diapers and formula, she and her 6 month old daughter left and went missing for two days. Praise God, she showed up here, and is staying with her family here in our facilities. We need to put her in a shelter, where she can be protected from herself and the father of her baby. We have found a good, Christian facility with full time counselors. We expect that she will have to be there for 1 to 2 months until she is emotionally stable and the situation calms down with her abuser. Her baby will stay here with her grandmother. We need your prayers and help with the \$100.00 per week cost for her stay in the shelter. Please pray if the Lord would have you help to meet this urgent need. The contact information is below. May God richly bless all of you.
